LABOR, INSTALLERS AND PRODUCERS

Labor and installation, such as setting tables, chairs and linens are not included in above pricing.

Please inquire about terms and conditions.

Frequently Asked Questions

What are the regular business hours?

Magic Special Events is open Monday through Friday from 9:00 AM to 5:00 PM and Saturday by appointment only. If you require the assistance of a sales consultant, it is advisable to schedule an appointment before you visit.

How long is the rental period?

Typically most prices are quoted on a one day rate. We allow you to receive your items the day before you begin using them and return items the day after you have completed using them. For events that exceed one day we can prepare a special quote for you.

Do I need to leave a deposit when placing an order?

When you place an order we will reserve the equipment exclusively for you for the date you requested so a 50% deposit is required.

What are your terms and what methods of payment will you accept?

Unless credit has been established, all rentals must be secured by a 50% deposit at the time you place your order. The balance will be due upon the delivery of your rentals. We accept cash, check and credit cards (Visa, MasterCard, American Express, and Discover).

Am I charged for items I rent but don't use?

Rental charges are based on time out, whether used or not. Many items still need to be cleaned even though they have not been used. Also, while you are in possession of a rental item, it is unavailable to other customers.

How early do I need to reserve my rental?

We can only accommodate last minute orders based on availability; therefore it is recommended that you place your order as early as possible. Remember you can change your order as it gets closer to your function date.

What are my delivery options?

Our "Regular Delivery Service" is drop off & pick up between 9am & 5pm Monday thru Friday. If you require more specific delivery arrangements or weekends please inquire. Our delivery personnel are available 24 hours a day - 7days a week - 365 days a year - Please speak to one of our rental consultants and they will be happy to assist and quote you on available options. All deliveries are to a main floor location, should you require additional handling or set up and knock down service please inquire.

Do you set up equipment (tables and chairs)?

Yes we do. There is a fee for equipment set up and breakdown. The price on our canopies, dance floors and stage raisers include set up and breakdown fees. Arrangements for Set-up/Take-down should be when you place your order.

Rental Prices

What do I need to do after my event?

Items ready for pick-up should be sorted stacked and available to our crew. All china, silver, utensils, etc. should be rinsed, dry, food free placed in the same containers as delivered. A charge will be assessed for all boxes and crates which are damaged or not returned. All breakage, loss and cleaning charges are in addition to rental charges. Tables and chairs must be stacked and ready for pick-up.

What if I break something?

You are responsible for any breakage that may occur at full replacement cost. You can protect yourself from any accidental breakage by purchasing a "damage waiver" when placing your order.

What is a Damage Waiver?

In order to provide a worry-free rental, we offer an optional Damage Waiver. The Damage Waiver protects the customer from the unforeseen cost of repairing accidental damage to the equipment. The Damage Waiver is automatically calculated into the rental invoice. It is **non refundable**. With acceptance of the Damage Waiver, the customer will not be required to pay any and all expenses of the damaged equipment up to the full cost of such equipment if purchased new. The Damage Waiver **DOES NOT cover** any loss or damage due to theft, misuse or abuse, unexplained loss, theft by conversion, unsecured equipment, or any loss due to the customer failing to care for the rental items with disregard to common sense care of such equipment.
